DIRECTIONS FROM THE SOUTH

I-35 TO University Exit (Cracker Barrel / Mini-Convention Exit)

Just like going to the mini-convention, except keep heading West. About 6 miles down the road, you will come to a "T" Intersection (You will see a church). Turn Right onto Warrior Lane, go about a block. Turn Right again into the park. Take another Right to go down the path to the shelter house.

DIRECTIONS FROM THE NORTH

If you are coming from the North & want fewer stop lights, turn onto Hickman Road. Head West until you get to the Coke plant, then take a Left onto Alice's Road. The road will come to a "T" just past Ilcrest / Jewett Lumber. Take a Right at the "T" (again heading west) to the next "T" in the road (you will see a church). Turn Right onto Warrior Lane, go about a block. Turn Right again into the park. Take another Right to go down the path to the shelter house.
