Hotels - There are hotels in North Kansas City but they have been there many years and may not be as nice as others. I suggest not staying there since I know what goes on there. I do run several calls to these hotels and most guests would hear the sirens throughout the night unless you would like to come out and visit me and my crew on the fire truck.

Traveling south on I-35 at exit 16 there are numerous hotels, new within 6-7 years old. There are numerous restaurants close by. You will pass through the city of Liberty on your way to North Kansas City. There are a few hotels in Liberty.

Hampton Inn at I-35 and Hwy 152, 8551 N. Church Road, 816-415-9600 right at the exit on the North side, to the first light then turn right to the hotel.

These are south of Hwy 152 on Church Road (1st light) then left turn. These hotels are next to and across from Walmart:

**Comfort Suites, 8200 N. Church Road 816-781-7273
Fairfield Inn, 8101 N. Church Road 816-792-4000 and
Holiday Inn Express 8230 N. Church Road 816-781-5555**

This area has shopping: Kohls, JC Penny, Super Target, Walmart, Home Depot, Lowes, CVS, HY Vee Grocery, just to name a few.

Restaurants - Italian Gardens, Chick-fil-a, Culvers, Applebees, Chilis, Steak and Shake, Lone Star Steak, Texas Road House (Steak), Corner Cafe (excellent home cooking), Panda Express Chinese, Buffalo Wild Wings, and Jose Peppers Mexican. Plus all the national fast food burger restaurants. This area is about 15 minutes to the park right off south bound I-35.

Directions to the park:

South on I-35 to Exit 6 (Armour Road) keep to the right and head west on Armour Road to the 3rd light (Iron Street). The Mop Bucket (store) is on the corner then turn right and travel 11 blocks. At 7 blocks you will see the park on the right, the shelter is at the end of the street before it goes over the levee. Look for the banner at the shelter next to the street.
